Pest Control Technicians (Full and Part-Time)

Description:

We are currently seeking personable candidates to serve as Pest Control Technicians. This is a fantastic opportunity for you to start a career right out of high school with paid training. You will make service calls to residential and commercial customers and apply anti-pest treatments as outlined in job orders. In addition, you will identify opportunities to up-sell additional products and services. Candidates must be willing to work flexible schedule including weekends.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

- * Apply pesticides to structures according to schedule, safety procedures and label instructions.
 - * Drive company vehicle to customers' houses or places of business.
 - * Call customers to confirm scheduled services.
- * Respond on a timely basis to customers' requests for telephone and in-person service calls.
 - * Complete required reports at end of daily route.
- * Maintain vehicle and equipment in clean and proper operating condition.
 - * Assist in sales to current customers through contact on route.
 - * Other duties as assigned.

EDUCATION AND/OR EXPERIENCE:

High school diploma. Previous pest control experience will be a plus along with carpentry knowledge

LANGUAGE SKILLS:

- * Ability to read and comprehend simple instructions, short correspondence, and memos.
 - * Ability to write simple correspondence.
- * Ability to effectively present information to customers, clients, and other employees of the organization.

Interested persons can apply by emailing your CV to pmohamed@terminixbvi.com
