

ONE STOP AUTO proudly celebrates our **2ND ANNIVERSARY** today, **August 21, 2014** and takes this time to thank all our supporters over the past two years.

We are gratified by the reception we received from the general public and want to take this time to give back to those that helped us achieve success at this stage of our growth cycle.

From now until the 21st September, 2014 **ALL Regular Garage Services** (*excluding regular tune ups*) are **50% off** when you purchase the applicable products from our retail store, *for e.g. a front brake change will now cost \$17.50 per axle (down from \$35.00).*

Any person requesting a full service package (with FREE 30-point visual safety inspection) will have their names entered to **WIN A ONE NIGHT STAY FOR TWO** at the beautiful and exclusive **SCRUB ISLAND RESORT** with dinner, breakfast and a relaxing massage for two.

Consolation prizes include:

- 20% off on all retail supplies for one month (*except tires*)
- 50% off any regular garage service for one month (*including regular tune ups*), when you purchase the applicable supplies from our retail store.

Drawing takes place on September 22, 2014 and winners will be contacted.

Again, the management and staff at **One Stop Auto** thanks **YOU** and look forward to many more years of a mutually beneficial business relationship, as we launch new and exciting products and services within the coming months.

In this depressed economy, spending your hard earned dollars where they go farther doesn't just make *sense*; it makes *dollars and cents*.
